

## YOUTH AND ABANDONED RURAL SPACES

The webinar will tackle the topic of Youth and abandoned rural spaces. For an immersion in this topic, we will try a methodical approach composed of a **guided tour, presentation, and working groups**.

### Virtual tour of Lišov Múzeum, Slovakia

- Jakub Dvorsky, VIPA SK (host in 2019 and 2020) who will share his experience and let us enter Lišov Museum in Slovakia.
- The **Rural Parliament in Slovakia** (VIPA SK) was established in 1999. The aim is to support integrated development in regions by expertise, advocacy and informative-communication activities, especially in the form of dialogue conducted at national level and based on the identification of public needs.

### Working Groups: youth involvement and job opportunities in abandoned rural spaces.

Depending on the number of participants we will divide in 2 working groups and discuss:

- Challenges and opportunities
- Conclusions

### Ideas for upcoming webinars

participants are invited to shortly present a topic of relevance for them they want to propose for a next webinar

- **Madara Zamarina**, LV. Trainee in 2019 at ABCD Innovation Center, ALB will give a short insight into her thesis on **smart village planning** and a planned project in her local area
