

GUIDELINES FOR HOSTS

Forum Synergies (FS) Scholarship is based on a trainee exchange programme with the main goal to spread the information and to share the know-how about sustainable, local rural development. The host organisation should have the ability and readiness to guide the trainee through this exchange process.

What are the goals for the host?

- Trainees are young people interested and/ or actively involved in sustainable rural development, they are enthusiasts of the field, just as you are. This programme offers you a gratifying experience and may also be a start of a new and valuable cooperation in the future.
- Forums Synergies will contribute to the effort for supervision and organization of the stay based on concrete needs and a formal request. This should be part of the financial plan to be elaborated.

How will it happen?

Before the Scholarship:

- Fill in the application form: http://tiny.cc/FS2020_host ;
- We will contact you to organize a short online interview, the main points of conversation will be communicated at this moment;
- A host profile will be elaborated and published on the website of Forum Synergies
- We will let you know about trainees interested in your organization;
- The best period for scholarship for you and the trainee will be chosen;
- You and the trainee will elaborate bilaterally a working plan and a financial plan which has to be agreed by Forum Synergies.

After the Scholarship:

- After the scholarship is concluded you will have 1 month to elaborate a short report;
- Two weeks after the validation of the report and the reimbursement documents FS will proceed to the payment.
